## **MY JOURNEY...**

from KBS started since 16 March 1998. Kailash Bodhi School taught me that sometimes education is not just about going to school and getting a degree. It's about widening your knowledge and absorbing the truth about life. Those 13 years I spent in KBS was one of the most excellent and memorable time .. Life is like riding a bicycle in order to maintain balance, you need to keep moving forward. It teaches you that hope sometimes turn into reality, that dreams also can come true!
